As God has blessed us, we have to opportunity to bless others. We are receiving two offerings this evening.

1) Items for the **Kindness Project of the Lehigh Valley**. This is a house turned into a free store for children and teenagers placed into the foster care system. Most of these kids are taken from their homes with the clothes they have on and nothing else. The Kindness Project is a place they come to "shop" for new clothes and shoes as well as other items at no cost. It helps them to feel like they matter and also helps the family taking the foster child as it can be quite a financial commitment. For more information and to see what items are needed see their website <https://kindnessprojectlv.org/>

2) Financial donation for **Outreach Care**, run by Joanne Cramer, providing transitional housing for homeless in Quakertown. With the recent closing of the Bush House the need for subsidized housing has significantly increased. Outreach Care is affiliated with AHUB which also oversees Code Blue, so she is working with non-profit and government organizations but also needs significant funds at this time.
